Couples Tower Isle, Ocho Rios, Jamaica – Couples Only, All-Inclusive

Jamaica's iconic Couples Tower Isle embraces a 'high design' aesthetic infused with the authentic vibrancy of the Caribbean.

Perched on the lush coastline of Ocho Rios, Jamaica—this glamorous all-inclusive boutique resort seduces with sweeping water views, a private white sandy beach and its very own namesake island. Discover the delights of snorkeling among the reefs or windsurfing on the waves. Enjoy a game of tennis, a round of golf or a tranquil afternoon on a lounge chair by the sea. The million-dollar kitchen and organic herb gardens serve as inspiration for our award-winning chefs to create the finest farm-to-table cuisine on the island.

The chic contemporary décor features vivid murals and ceramics by renowned artists, intricate pearlescent tile work and graphic black and white photography. Fresh splashes of aqua blue fabric and lime green furniture offset the striking white architecture, while each inviting room boasts private ocean-breeze balconies.

Whether exploring the luxurious treatments at the Zen-inspired spa—named "Best in the Caribbean" by Travel+Leisure—sipping cosmos in the fabulous pink piano bar or savoring an exquisite Thai meal at ocean's edge, Couples Tower Isle includes countless indulgences that will inspire you to return again and again.
